

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the industry as durable and strong machinery that satisfies the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are available in the market under the brand name "Encore". American Lincoln has the ability to provide equipment, parts and warranty service for these types of scrubbers which have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency make a difference. Recently, this floor scrubber model has been used by the architects in different construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
